Each practice and audition room gets a CD player and CD- verify all are playing correctly. Audition rooms need to have CD player by the door and a table facing the wall at the opposite end of the room for judges. There should be 3 cushioned chairs for judges, judging sheets for both voice parts auditioning in that room, a stapler full of staples, and at least 6 pencils. Set up check in tables.

17. Around 8:25 have a meeting for judges, runners, and tabulators. Go over the sheet for judges. Runners should pick up every 15 minutes or so and check if judges need sharpened pencils. There should be at least 4 tabulators to add up and verify the scores. Tabulators should verify scores and then add all three sheets together for the total score. Enter into the excel document. Update audition room schedules to note any cancellation

**\*\*\*District Honor Choir Member Guideline\*\*\***

**Each voice part of the district choir (S1, S2, A1, A2, T1, T2, B1, B2) will have no more than 25 members. A student receiving an audition score average of 20 or lower will not be select for the District Choir regardless of number of students that auditioned on that voice part.**

**\*\*Exceptions:**

**1.-In the event of a tied score for the 25<sup>th</sup> slot all students with that exact same score will be selected for District.**

**2.-Keeping current District policy to select at least one student from every school that sends auditions-this student will be added to the top 25 scorers for that voice part.**

18. When auditions are finished fix rooms to be as they were found.

19. Within a few days scores should be sorted within each voice part and a balanced choir should be picked. If there are fewer men auditioning you may have to balance as SAB to determine how many sopranos and altos to accept. Send results to Troy in the format he requests for publication and send to District President and the State President. Make sure each school that sends students to audition has at least one student in the district choir.

20. Between auditions and district choir send out an email requesting the names of 4 year participants. Get in touch with clinician for any instructions they want passed on to district teachers regarding music and to answer any questions or concerns they may have. Ask clinician how they want the students arranged in the rehearsal space.

21. The week before District KMEA create an agenda for the Choral Directors meeting. Talk with the NW District President about any discussion that needs to be addressed at the meeting and add that to the agenda. Make copies (35).

22. Send names of 4 year participants to District President.

23. Assign seats for rehearsal space. Site director will give you a map of the space. Make labels for each student that includes the student name, voice part, school, and seat number. Students should wear this label all day and will need to turn them back in after the concert. Have labels cut apart and sorted in envelopes labeled with school name to give out at check in.

24. Print off schedules for the day.
